Bowflex XTL. Bowflex XTL is one of the best home fitness equipment in the market, which in contrast to traditional home training apparatus is not based on lifting free weights, but it is constructed on the basis of the advanced Power Rod resistance technology, which offers resistance from elongated bending rods which stretch up from the back frame of the apparatus.

The Bowflex XTL just so happened to be one of those models that helped Bowflex make a good name for themselves. When it was first introduced, it achieved phenomenal sales. One of the biggest selling points of this machine is the fact that it is light in weight, so it can be moved to storage after you are done exercising on it.
