The pole for a standard family-size Coleman tent should be approximately six feet high with an approximate one-inch diameter. Enter the tent through the door and place the pole vertically in the center, elevating the tent to capacity. There is a crevice at the top of the tent that allows various pole sizes to be secured.

Coleman Tent Trailers These trailers, or otherwise known as popup campers, are perfect for camping and weekends away. They're also great for longer vacations, where you really want to experience the great outdoors but still being protected from the not so good elements. With the tent trailers you don't have to go out and buy a bigger car to tow it.
