AACN Core Curriculum for Pediatric High Acuity ...

An intensive 2-week UC Davis course held annually in September covering clinical research methods; designed to meet the core curriculum in scholarly activities set forth by the ABP and ACGME. To be completed in the second year of fellowship, but fellows may be given permission to enroll in the first year if able to identify and initiate a research project early in fellowship.

Curriculum | Pediatric Critical Care Medicine Fellowship ...

The fellowship has an Associate Director of Education, Kristen Smith, MD, MS, who helps modify the educational curriculum month-to-month, if need be, to address the needs and wants of the PICU fellows. The curriculum is designed as a robust but versatile way to teach core critical care topics to all types of learners. Simulation

Curriculum Overview | Pediatrics | Michigan Medicine ...

Given that the curriculum covered core pediatric critical care topics, preferred educators for the modules included PICU attendings, fellows, nurse practitioners, and physician assistants. Figure 1. This is a sample PICU rotation educational schedule. The PICU educational curriculum modules are in italics, and the assessments are in bold.

Pediatric Intensive Care Unit Resident Educational Curriculum

Objectives: More children are surviving critical illness but are at risk of residual or new health conditions. An evidence-informed and stakeholder-recommended core outcome set is lacking for pediatric critical care outcomes. Our objective was to create a multinational, multistakeholder-recommended pediatric critical care core outcome set for inclusion in clinical and research programs.

A Core Outcome Set for Pediatric Critical Care

SCORE Curriculum Outline General Surgery. The SCORE ® Curriculum Outline for General Surgery is a list of topics to be covered in a five-year general surgery residency training program. Originally published in 2008, the outline is updated annually. The 2020-2021 curriculum outline is now available in spreadsheet and booklet form, covering all six ACGME competencies:
