Free Document Based Worksheets | edHelper.com

Teach your students to think through primary source documents for contextual understanding and to extract information to make informed judgments. Use these worksheets — for photos, written documents, artifacts, posters, maps, cartoons, videos, and sound recordings — to teach your students the process of document analysis.

Document Analysis Worksheets | National Archives

Use of primary sources was once remarkably scarce, both during in-class instruction and in textbooks. The availability and accessibility of primary sources on the Internet has revolutionized social studies instruction. But how are primary sources used in the classroom? Are students working with primary sources to make their own claims supported by self-selected evidence?
