Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

Holden 308 Engine

The V8 engine also appeared from 1971 in the Statesman range of large size luxury cars which Holden established as a separate marque replacing the Holden-badged Brougham. Initially both the 253 and 308 were offered across the Statesman range but after the HJ the 253 was dropped and the 308 was standard for the HX, HZ and WB.. In 1974, both the 253 and 308 engines were added to the Torana range ...
