The concept of social change is a very broad one. It consists of a constellation of processes of change in human society in terms of place, time and context. Since it is so broad, it is bound to be somewhat imprecise, tentative and value-neutral. We will analyse the processes and patterns of social change and mobility in Indian society.

A major change that can be sensed in Indian Culture is the change in Indian Cinema.We all know that cinema is the mirror of our society.It clearly reflects the culture and methodologies of our society.Few decades ago Indian cinema was only meant for entertainment.At that times films were of conservative type.But today film makers are moving to the various social issues and giving the Indian ...

### Indian culture changes its value in india for giving its ...

Social Change in Indian Society! Our objective is to evaluate the existing concepts and propositions about social change in contemporary Indian society. We intend to show how either due to a partial focus on the social processes in India, or due to the limitations of the analytical categories used by individual sociologists, treatment of change in India remains narrow and inadequate.
