Nietzsche And Zen Self Overcoming Without A Self

Ironically, Nietzsche's prescription for self-overcoming allures to many parallels with Buddhist philosophy: Buddhism advocates for transcendence beyond the condition of society, maya, and creating an individual path for oneself. This "path" reflects the famous eight-fold path; reflecting greater awareness and compassion.

Nihilism and Self-Overcoming: Interpreting Nietzsche and ...

Their self-overcoming is therefore a self-overcoming without a self. As far as Zen is concerned, this may be obvious: that idea of non self (anatman) is crucial to all Buddhist traditions. But also for Nietzsche, what we call a self is ultimately a fiction." (page xxviii) I might point out that Buddhism emerged out of Hinduism and anatman is originally a Hindu concept.

Walking the Tightrope: Review: Nietzsche and Zen

Self-Overcoming, Nietzsche also believed in a hierarchal and ordered Cosmos. This hierarchal and ordered Cosmos is the result of what biology and Darwinian science had concluded: Life situates itself on a hierarchy that is sorted out to sustain life and develop life.

Nietzsche: On Self-Overcoming - Hesiod's Corner

Überwinden means to overcome. Mensch means man, or human. So 'Self-overcoming Human' seems to be the most accurate translation of Übermensch. Nietzsche used the overman as a personification of potential eco-centric genius, demonstrating that Truth moves, and moving, demolishes thrones and altars. Indeed, self-overcoming is the life-task ...
